Dear colleagues,

I, on the occasion of the foundation day of the International Martial Art Games Committee, would like to congratulate the Executive Board Members and Leaders of the International Martial Art Federations & National Martial Art Games Committees(NMGC) affiliated to the IMGCC as well as to extend my sincere thanks to you who have been making your every possible effort for its development and expansion worldwide.

Founding of the International Martial Art Games Committee by Gen. Availing of myself of this opportunity, may I expect you to keep your due pride and self-confidence in it and strive hard for its further development by breaking through the current pandemic crisis caused by COVID-19 with the indomitable spirit of Martial Artists.

With best regards, I remain

Prof. RI Yong Son
